

Jim's Training Program gives YOU the Skills You need!

The Jim's Trees Training Program is structured to give YOU all the skills you need to operate a successful business!

Step 1 **Assessment day (on the road). A day of assessment and initial training. This proves to you and us that you are able to provide the service and have the desire to work in this industry.**

Step 2 **Franchise induction training > A 2-3 day generic course that explains the Jim's Franchise System, the Ethos and the Principles behind the success of the Jim's Group and how to use the system to your best advantage!**

Step 3 **10 day theoretical and practical training course covering use and maintenance of chainsaws, ropes and tackles, climbing, lowering techniques, plant I.D, pruning techniques and more.**

Step 4 **OH+S, Road Traffic Management, Electrical Awareness or any other training required by your state.**

Step 5 **Practical Training Program > "On the Job" Training that is specific to the business you are going to operate, covering all aspects related to the practical skills needed to work to the high standards we adhere to. This training is provided on the road with current franchisees and trainers. Allow 1 – 2 weeks for this training.**

***Franchisees are then encouraged to take on further training, including arboriculture training as well as training for skills such as bookkeeping, computers, sales etc.**

FOOD for THOUGHT!

Give a man a fish, and you feed him for a day,

Teach a man to fish and you feed him for a lifetime!
